

THE INSERT DOUBLE HUNG THAT
REMOVES COMPROMISES

CLAD ULTIMATE INSERT DOUBLE HUNG
NEXT GENERATION

MARVIN 
Windows and Doors
Built around you.®

The Marvin® Ultimate Insert Double Hung Next Generation Window adds quality craftsmanship, beauty and energy efficiency to your home without compromising architectural integrity. Its design seamlessly fits into your unique window opening, so there's no need to remove the existing frame or disturb the exterior or interior trim of your house. Ultimate Insert Double Hung Windows always fit into your existing space and appear completely integrated into your home.

PERFORMANCE, FEATURES, AND BENEFITS

- Superior performance with top in class LC-PG50 on most sizes
- Clad Ultimate Insert Double Hung features a wood interior and a low-maintenance, extruded aluminum-clad exterior
- Matches aesthetics and operation of the Clad Ultimate Double Hung-Next Generation full frame for a seamless mix of products in your home
- Picture and transoms windows available for complete window replacements using all Marvin insert products
- Choose from a full range of options, including divided lite patterns, to replicate your existing window designs
- Compatible with Marvin Lock Status Sensor and Lift Lock Hardware
- Available in large sizes: operating windows up 55" wide and 95" tall
- Frame depth: 3 1/4" (83mm) to accommodate standard double hung pocket depths
- Frame bevel options: 0 degrees, 8 degrees or 14 degrees
- Balance system: most efficient balance system chosen based on sash weight; either block or tackle or class 5 UL Hybrid Spiral balance
- Screens: retractable screen, full screen or half screen; half screen covers bottom sash opening. Optional Magnum Screen (extruded aluminum surround with charcoal hi-transparency fiberglass mesh)
- Tilt or remove the sash for easy cleaning

INSTALLATION

- Through jamb installation
- Installation fasteners included with each window
- Jamb adjustment screws are factory installed and ensure a proper operating window after installation
